

MYRIAD Prayer

UPDATE ISSUE

APR 2023

Reflection

Grace and Glory! God's unearned enabling of grace that helps us in difficult situations is his gift to us. So is the honour or glory we see when he works in and through our lives. Both can be true at the same time: messy circumstances that need God's help occur alongside God moving in unexpected ways. So whether we are praying for grace or for Him to reveal His glory he gives liberally.

PSALM
84:11

"For the Lord God is a sun and shield; The Lord will give grace and glory; No good thing will He withhold From those who walk uprightly."

Myriad inspires and serves
everyday people to form new
church communities.

Great grace

We need God's enabling power for all we are doing.
Let's pray for the Myriad hubs starting soon:

- Sheffield - 12-13 May
- Chelmsford diocese - 19-20 May
- Southall - 16-17 Jun
- National (Chester location) - 22-23 Jul

Pray that each one becomes an incubator for new churches and life as the leaders learn together, that the very atmosphere within these learning communities fosters healthy growth.

Pray for those in these hubs as well as in our Myriad team working to enable a smooth set-up.

Pray for our existing planting teams as well as those that will join these new hubs.

The verse from Psalm 84 speaks of God's shield - pray for the protection over all those involved in Myriad, and their families and for those who they are reaching out to with God's good news.

Glory in the Church

Praying big picture prayers focuses us on the limitless possibility of God. We want to see thousands of new churches established across England: Churches that emerge from a renewal in the Church, that share Jesus' love powerfully so every community in England is impacted by the Gospel and our nation is transformed. As well as praying for Myriad, let's also pray for the wider environment we operate in to change and be open to God. Let's pray:

- for the churches in your locality to be renewed by the Spirit
- for an increase in prayer and devotion to Jesus
- for a passion to see those around us impacted by the Gospel
- for the church to grow younger and new youth movements to emerge
- for a move of God in the nation

Jacqui is the latest addition to the Myriad team. She is our Myriad Content Developer and Online Host. Jacqui will be providing a storehouse of resources that planters may need when starting a new worshipping community; including practical resources like a policy template or a "how to guide" for running a community event. She will also host the planting online communities where those going through the Myriad pathway can encourage and support each other.

Based in London Jacqui is currently a member of a central London church where she oversees the student ministry. She loves meeting new people, food & exploring new places!
